**RALLY DAYS**

Rally Day celebrates the Women of the Moose. It is a time to recognize accomplishments, inform members, share ideas and have fun. Since we no longer have a WOTM Midyear and Annual Conference (we all attend the Association Conventions), Rally Day gives Chapter members an opportunity to gather and celebrate. Think of it more like a Moose Legion Celebration.

## Lodge Administrator's Report

Hello everyone. I want to start with a thank you to our volunteers who helped us during January. February is going to be another busy month, so please continue to volunteer.

We really need help during the annual Moose Legion Manatee 58 picnic on Sunday, February 16 from noon - 4 PM. If you can't volunteer, come to the picnic where we're serving pork butts, burgers, hot dogs, salads, beans, cole slaw, and beer—for just \$15 pp and enjoy the show by the American Made band!

Are you curious about what other Moose Lodges in the area are doing? That's one of the interesting things you learn at a district meeting. Officials from six local Moose lodges, (District 16, Florida Moose Association, North Port 764, Venice 1308, Punta Gorda 1693, Englewood 1933, Port Charlotte 2121, Gulf Cove 2554) share information on the second Saturday of every month. This month it's at Venice 1308 on February 8 beginning at noon. We're having a toy show on February 2, in the dining room from 7 AM - 1 PM. Our volunteer of the month is **Cheli McArthur**. She's been working hard on the menus. Thank you, Cheli, for going above and beyond.

Fraternally, Danny Ulrich, Administrator
